

Being a columnist in which the publisher just "blows off the steam."

By Willard Jones

HE BRUSHED his teeth twice a day . . . the doctor examined him twice a year . . . he wore rubbers whenever it looked like rain . . . he slept with the windows open . . . he stuck to a diet with plenty of fresh vegetables . . . he relinquished his tonsils and traded in several worn-out glands . . . he golfed, but never more than 18 holes.

The funeral will be held next Wednesday. He is survived by 18 specialists, four health institutes, six gymnasiums and numerous manufacturers of health foods and antiseptics. He had forgotten about trains at grade crossings!

TO ERR IS HUMAN is the often heard title of an interesting little ode that deserves consideration. Dorothy Annette Bruce penned it:

It was a friendly gathering,
A time of special fun;
A place of lively reunion
Of neighbors, old and young.

Generous was the tempting food,
Gay, the mood prevailing;
Till thoughts so subtly each mind
Wooded,
Gleety dispelling.

When did each turn to bitter talk,
Side against the other?
Fret their hearts with memories
fraught,
Fancied wrongs discover?

The hurt went deep, as well it
might;
Who was wrong, who is right,
The rut once dug, this road will be
Off traveled, endlessly.

Hate is such an appalling thing;
Cuts deep with words that sting;
Hate never turns a wrong to right
Nor is it worth the fight!

PERT POINTERS about the safety of travel—most of which were revealing to us—were recently contained in a little pamphlet from the National Safety Council coming to our desk. Included were the following:

The least hazardous way to travel is on a railroad passenger train. Then come buses and scheduled planes. Passenger cars and taxis are far behind.

Saturday, not Sunday, is the most dangerous day of the week for drivers. About one out of every five traffic fatalities occurs that day. Sunday is second most hazardous.

Safety men say the new interstate highway system can save as many as 3,500 lives a year, and an additional 5,000 lives annually, that use of seat belts could save.

While few slow drivers ever run afoul of the law, they're still a highway hazard, according to the National Safety Council. Driving too slow can cost a life—your life, or the life of a motorist who takes a chance and passes you when he shouldn't. Keep pace with traffic.

Odds are that, if your car isn't up to snuff safetywise, the fault will lie with the rear lights, brakes, front lights or exhaust system. When a hazard is found at vehicle safety checks, those four problems are the ones that crop up most often.

THIS THING of vacationing sometimes is a cut-and-dried affair, especially of the poor fellow who works in order that his family may have such a pleasure.

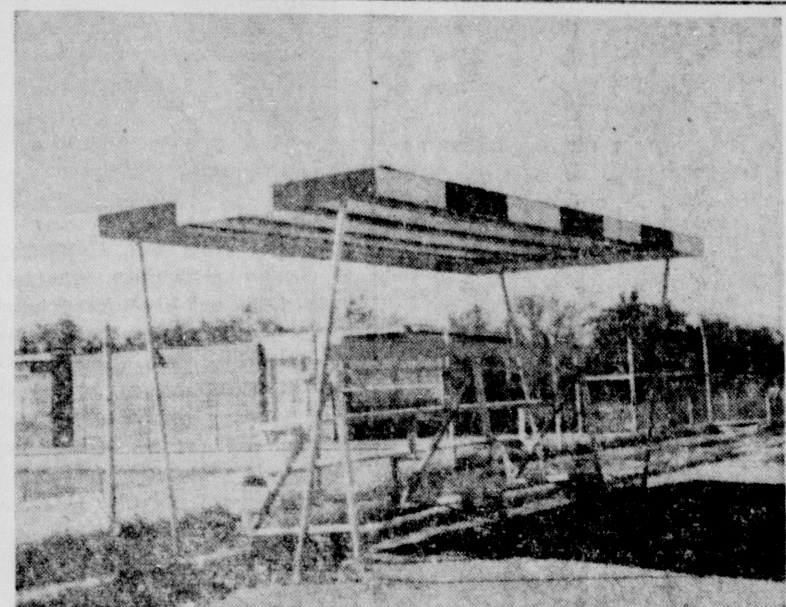

One fellow says he spends very little time making his plans for the vacation—since he has little to say about the final matters. He then turns to a rhyme to say his little piece . . .

When vacation time arrives
A man doesn't have to care.
His boss will tell him when to go,
His wife will tell him where!

The Country Parson

"Death will catch most of us with many things unaccomplished—things we could be doing today."

THE ABOVE PICTURE shows the newly completed bleachers and shade erected by Hamlin's Scout Explorer Post 43 as part of their community project to beautify the property of the Hamlin Swimming Pool at the City Park. Post 43 has worked approximately 300 man hours this past summer in sodding grass, setting out hedges and shrubs and maintenance and erecting the above bleachers and shade. Donated materials, equipment and labor totals \$1,050, which will be turned over to the Hamlin Foundation in the near future. Post Counsellor Weldon Johnson says Post 43 of Hamlin has entered into competition with other Scout Posts of Region 9 in a program called "The Big Push" sponsored by Sears, Roebuck & Company to encourage older Boy Scouts to help improve communities in which they live.

Closing of Acreage Reserve Extended

Period for acceptance of applications to participate in the 1960 conservation reserve program has been extended, M. S. Jones, county office manager of the Jones County Agricultural Stabilization and Conservation Committee, reported this week.

David D'Amico Is Named Pastor of Mexican Mission

David D'Amico of California was named pastor of the Mexican Baptist Mission on recommendation of the pulpit committee by members of the First Baptist Church in conference Sunday evening. The First Church sponsors a mission in that South American state.

Rev. D'Amico, of Italian parentage, was born in Argentina. Both his parents were members of the Southern Baptist Church of that state. His father-in-law and two brothers are ministers of the Baptist faith in that South American state.

Young D'Amico, 25 years of age, has been in California attending college. He spoke in the local Mexican church two Sundays ago. He is married and he and Mrs. D'Amico have a three-month-old daughter.

The young minister will move to Hamlin this week-end, and will be in the pulpit next Sunday in his new capacity as pastor. He will attend Hardin-Simmons University at Abilene the coming term.

Rev. D'Amico succeeds Rev. Victor Ortiz, pastor of the church for seven years, who resigned several weeks ago to accept a church in San Diego, California.

Special Services For Anniversary Of Johnson Slated

Special anniversary services honoring Rev. J. L. Johnson, pastor of the Oak Grove Colored Baptist Church since August, 1951, are scheduled to be held at the church in Northeast Hamlin beginning next Wednesday evening at 7:45 p. m.

The services will continue the balance of the week through Sunday.

Speakers scheduled to appear on the program through the week are Elder W. W. Fields of Abilene, Elder George Blue, Rev. A. Mackey, Rev. T. L. Peoples, Rev. Freddy Nelson, Rev. M. W. Knox, Rev. U. L. McPherson, Rev. L. T. Thomas and Rev. R. C. Christman, along with their congregations.

Climaxing the series of services Sunday afternoon will be Rev. H. D. Cumby, who will bring the anniversary message. Singing will be presented by the Macedonia Church choir of Abilene.

The public is invited to attend the services, declare officials of the local church.

More Highway Projects Underway in Hamlin Area

Helen Poe to Give New Impressions Of Reds Monday

Brand new angles on thinking and attitudes of the people of Russia toward America and the rest of the world will be presented when Helen Poe, world traveler, lecturer and inspirational speaker, speaks Monday evening at the Hamlin High School auditorium at 7:30 o'clock.

Miss Poe is being sponsored in Hamlin by the Hamlin Woman's Forum. Advance tickets have been on sale for several days, and response has been good say forum officials.

Miss Poe has just returned from Russia and the Far East. Her travel experiences are equally exciting to those who may match her experience and those who must remain at home. Her penetrating observation of people and places is informing and entertaining.

Miss Poe is much in demand by adult educational groups, national and regional conventions, colleges, churches, men's service clubs and social organizations; so much so that it was necessary to engage her months ahead of her coming, say Forum leaders.

A 50-cent admission charge is being asked by the Forum. Tickets are on sale at Cowan Tailor Shop, The Book Shop and The Hamlin Herald downtown.

Special Meeting of Cub Scouts, Parents Scheduled Monday

Cubmaster Gene Knabel announces a special meeting of Cub Pack 43 next Monday evening at 7:30 o'clock at the Primary School cafeteria. Cub mothers and fathers are urged to attend, along with their boys.

Den mothers and assistants are urgently needed for groups of these boys, ages nine through 12, Knabel declares. "If you will consider one of these positions, please advise me at the pack meeting or any time prior to the meeting date," states Knabel. "The various dens will be reorganized at this pack meeting, and there will be lots of boys needing a den home. Don't let these boys down. One of them could very well be your own. Everyone agrees Scouting is a good work. Please lend your help."

Jones-Fisher Singing Set in City Sunday

Regular monthly session of the Jones and Fisher County singing will be held Sunday afternoon, September 20, at the Calvary Baptist Church in Hamlin, announce officials of the songfest.

Singing will get underway at 2:00 o'clock, and the public is invited to attend the affair.

AFTER HOUSE VETO VOTE—Democratic leaders in the House get together outside the chamber in Washington, D. C., after spearheading a successful drive to override President Eisenhower's veto of the second-try public works appropriations bill. Left to right are: Representative John McCormack of Massachusetts, House floor leader; House Speaker Sam Rayburn of Texas, and Representative Clarence Cannon of Missouri, chairman of the House appropriations committee. Similar Senate action followed the House vote as Congress overrode a white house veto for the first time in six years and eight months.

Town to Participate More In HHS Student Homecoming

Boy Scout Fund Drive Committees Named for Hamlin

Initial arrangements for the annual fund drive for the Boy Scout troops of the community are being made this week, according to W. T. Johnson and Earl Smith, general co-chairman of the project.

The annual drive for funds will be staged as a one-day campaign on Tuesday, October 6. No goal has been set for the drive.

Johnson and Smith have announced the following committee chairmen, who will be perfecting their committees for the actual drive: Max Murrell, special gifts; Orville D. Roland, general solicitation; R. L. McClung and Garland Preston, auditing and arrangements; Willard Jones, publicity; B. V. Newberry, prospects; Fred B. Moore Jr., clean-up.

As has been the custom for the past several years, a breakfast will be given for members of the solicitation teams

LECTURER and entertainer of note, who will appear Monday evening at 7:30 o'clock at the Hamlin High School auditorium will be Helen Poe (above) who has just returned from the Far East and Russia. Her appearance is being sponsored by the Hamlin Woman's Forum.

A dead person may vote legally if he mails an absentee ballot and then dies before election day.

Purchase Now of Barbecue Tickets Urged on Citizens

Hamlin business people and citizens of the community generally are being advised in various ways at the forthcoming fifth annual Homecoming of ex-students of Hamlin High School will be a community wide affair, in which their support and participation are desired and needed.

Citizens are invited to attend the homecoming gatherings, mingle with the ex-students and help to make them feel at home and welcome.

"It is our community's way of welcoming former students and letting them know we are glad to have them come," declares Arlie Cassle, president of the Ex-Students Association, sponsor of the homecoming. "Citizens do not have to be ex-students to feel like part of the homecoming."

Citizens are being urged especially to purchase tickets in advance for the barbecue to be staged Saturday, October 10, at the high school gymnasium. Advance purchase will help planners for the barbecue to estimate the crowds.

Replies to the invitation cards for the homecoming, to be held Friday and Saturday, October 9 and 10, continue to come in, declares Mrs. Joe Ford, secretary of the ex-student unit.

New Band Uniforms Have Clever Features

Members of the 60-piece Hamlin High School Band are wearing brand new green-and-white uniforms that are becoming the talk of the town since their appearance in concerts at football games and elsewhere.

New Band Director Tim Jones was demonstrating the new style uniforms, this week which have a button-decked dickey for marching that can be removed for concert work. The adjustable waistbands, accomplished with a new zippered expansion band will save expensive uniform alterations that have been a source of difficulty with previous uniforms.

MULLINGS HAVE GUESTS.

Mr. and Mrs. O. F. Fleenor and children, Nancy, Jerry Don and Cynthia, of Denver, Colorado, Mr. and Mrs. Leonard I. Poland of Big Spring spent the week-end with their parents and grandparents, Mr. and Mrs. D. A. Mullings. The Fleenors are moving to Austin.

Stamford-Hamlin Stretch Finished And Now in Use

Highway construction work has begun again in the Hamlin territory after only a brief lull of a few days. Such a tempo has been maintained in the area for more than two years—with at least one project having been underway practically all of the time and sometimes as many as four jobs being carried along at the same time.

Total expenditures for the improvements and new construction for the two-year period will have amounted to more than \$2,000,000, it is pointed out by highway officials.

Latest piece of construction in the area to get underway is the erection of a new concrete and steel bridge over the Double Mountain Fork of the Brazos River, which was started last week. The bridge, estimated to cost \$160,000, will be the key to a new through highway from Hamlin to Old Glory, which has been in the plans of the Texas Highway Commission for several years. The project is to be completed within 240 days.

Sections of the highway on both sides of the river already have been built, with only some short stretches yet to be completed.

Contractors on the 19-mile rebuilding and widening project of Highway 92 from Hamlin to Stamford has wound up the finishing touches on the route. It is a fine piece of highway now.

Farmers of Section Hear New Pointers on Defoliation of Cotton

Sixty-five Jones County farmers turned out last Thursday night in the county court room at Anson to hear Fred Elliott, Texas A. & M. Extension Service cotton works specialist, discuss the latest developments on cotton defoliation and mechanical harvesting, according to County Agent Kirby Clayton.

Elliott told the Jones County group that farmers could realize \$30 a bale profit through defoliation and mechanical harvesting if properly done. The specialist emphasized the use of the proper defoliant for the area and said it narrowed down to either arsenic acid or pentachlorophenol and diesel oil in this West Texas area.

Who's New This Week

Private First Class and Mrs. Charles Nall of El Paso are announcing the birth of a son, born September 13 in the William Beaumont Hospital at El Paso. Tipping the scales at eight pounds four ounces, he was named Stanley Keith. Grandparents are Mr. and Mrs. Tom Nall of Hamlin and Mr. and Mrs. T. B. Foster of Rotan.

Four new citizens have been recorded at the Hamlin Memorial Hospital since last week's report in The Herald. Three girls and one boy, they are:

A girl for Mr. and Mrs. Bobby Allen arrived September 6. Balancing the scales at six pounds 14 ounces, she was named Kathleen Rue.

A girl arrived for Mr. and Mrs. Spiania Templeton September 6. Weighing eight pounds one ounce, she will answer to Kaynett.

A girl was born to Mr. and Mrs. B. B. Boyles of Aspermont on September 6. She accepted Susan Diane for a label after having her weight checked at eight pounds three ounces.

A boy arrived for Mr. and Mrs. Wayne Laird of Swenson on September 11. His weight was six pounds 10 ounces, and he was named Matthew Norman.

THOSE WERE THE DAYS of longer skirts for girls and bushy hair for the boys when this picture of the sophomore class of Hamlin High School for 1933 above was snapped. The picture is one of scores of old school days at Hamlin being displayed as a sidelight of the forthcoming fifth annual HHS homecoming of students. In the class group above are: Front row (left to right): James Whitaker, Lillian Nowlin, C. J. Akins, Lucille Newsom, Doris Steed, Ethelyn Allen, Curtis Garner, Vera White, Wilson Crow and Georgia Lasseter; second row (left to right)—Edwina Gilbert, class sponsor; John Howard Jr., Leslie Shalburne, Leo Mixon, Annie Marie Ferguson, Doris Nell Manning, Gladys Nell, Oma Lee Herd, Guinn Davis and Dorothy Hines; third row (left to right): C. O. Larue, L. B. Williams, Harold Johnson, Farrow Burris, Hazel Bryson, Mary Beth Moody, Avaleen Murphree, Gladys Harris, Betty Myrle Routh, Estaline Richardson, Wilma Lee Sanford, Mayo Sowell and J. W. Brunson.

RECALLING Other Years

☆ Being news items taken from old files of Your Home - Town Newspaper The Herald.

THIRTY YEARS AGO.

In checking over the goings-on of 30 years ago in Hamlin community, we find the following items taken from the issue of The Hamlin Herald dated September 13, 1929:
Contract was let this week by the board of trustees of Hamlin School District for a new \$125,000 school building. Funds for the building were provided with the issuance of \$125,000 in bonds voted last April. Balfanz Construction Company of Abilene was awarded the general contract.
J. D. Farrow and daughter, Mrs. Arthur Burns, returned Tuesday night from a visit with relatives at Wichita, Kansas.
R. N. Fairley will leave Saturday for the University of Texas at Austin, where he will begin an academic course.
Mrs. Velta Pardue King went to Sweetwater Monday to begin teaching in the English department of the high school.
More than three inches of rain has fallen in the Hamlin territory since last issue of The Herald, coming on the heels of one of the hottest and driest summers in the history of the section.
The four Hamlin gins advertised in a cooperative ad that they would give in exchange for 2,000 pounds of cottonseed 3,200 pounds of cottonseed hulls and 800 pounds of cottonseed meal.

TWENTY YEARS AGO.

The following news briefs about events in the Hamlin territory 20 years ago are reproduced from the issue of The Hamlin Herald dated September 15, 1939:
Mr. and Mrs. W. B. Cotton went to Lubbock last Friday to visit their daughter, Mrs. Cecil Elvins. Maxine Brundage is again at home and in school after summer vacation in Chicago, Illinois, with her aunt, Mrs. L. L. Hobbs. Mrs. T. F. Murphy and daughter, Frances, of Sacramento, California, are visiting her niece, Mrs. Clyde Huff, and other relatives. Frances will enter Southern Methodist University at Dallas and Mrs. Murphy will go to their summer home in Wyoming.
Work is being rushed on the new football field for Hamlin High School in Southwest Hamlin to have it ready for the first game of the season on September 22 when the Pied Pipers meet Luebers in a non-conference tilt.

TEN YEARS AGO.

Review of Hamlin Herald files reveals the following news briefs taken from the issue of September 16, 1949:
Hamlin High School Pied Pipers will play their opening football game Friday night with the Stamford Bulldogs. On the squad, coached by Jesse Burditt and Vernon Townsend, are: Don Gregory, Ronald Armstrong, Bill Sutherland, Don Rowland, John Holland, Joe Allen Dean, Harold Johnson, W. T. Stapler, Asa Goodgame, Donald Green, James Maberry, Robert Fletcher, Clark Hewett, Garland Fletcher, Don Elmore, Slim Hargrove, Hub Hopper, R. L. Goodgame, David Ford, Dean Phillips, Marvin Johnson, Kevin Rogers, Charles Binnicker, Frank Albert Tucker, Franklin Willis, Donald Armstrong, John Edgar Rowland, Fats Hargrove, Jimmy Spencer, Joe Don Hymmer, Jerry Seymore, Jon Adams, Glenn Tidwell, Kenneth Barnett, Jerry Carr, and Guy Weaver.

FIVE YEARS AGO.

From the files of The Hamlin Herald dated September 17, 1954, the following items of interest are reprinted:
Governor Alan Shivers has recommended that Jones County be certified for emergency drought relief assistance for farmers and ranchers through a feed and seed program of the federal government.
Pat Rector of McCauley was named Queen of the Tri-County Jubilee last Saturday, when several thousand people attended the shindig.

ONE YEAR AGO.

The news briefs below are reproduced from The Hamlin Herald dated September 18, 1958:
Cotton crop for Jones County this year, best in several years, is estimated now at more than 35,000 bales.
Joe Murff farmer living east of Hamlin, was named Community A ASC chairman in elections several days ago.
More than two inches of rain fell first of the week in the Hamlin region, bringing the year's total to 13.89 inches.
Part of the left leg of L. C. Thomas, 34-year-old employee at Hamlin Cooperative Oil Mill, was amputated Wednesday following an injury sustained Monday.

New Markets for Agriculture Aim of Legislation, Says U. S. Senator Johnson

Long range legislation aimed at finding new markets—industrial markets—for America's agricultural products recently received overwhelming approval of the Senate, points out U. S. Senator Lyndon B. Johnson in his weekly news letter to The Herald. The release continues:
The thinking behind this program could mark a major attack on the problem of a \$9,000,000,000 agricultural commodity surplus that now plagues our national economy.
Rather than relying on artificial controls and continued government subsidies, this program proposes a positive approach of finding new uses for these commodities.
The ultimate objective would look to the day when the American farmer would enjoy full production from all his acreage—and receive for his products a fair price under a free economy.
This would be a crash program in which the best talent available would be employed.
It would be founded on scientific research, and call for trial commercialization and pilot plant testing to assure agriculture and industry the necessary know-how.
As a nation, we have spent billions of dollars. We have decreased productive acreage. We

have sought to increase exports. We have tried many ideas. Some have been helpful. But none have succeeded to the degree we would like. Most of all, none of these programs has created the substantial new markets so vitally needed.
Behind this new approach is the basic belief that the greatest market we can find anywhere for agricultural products is here at home.
We live in an industrial age. And the greatest new market—the biggest potential—is an expanding market within industry itself. On this basis, scientists would seek new uses for farm products, try to develop new cash crops to replace those now in surplus—and hope to eventually return American agriculture to full production.

SETH ADAMS RETURN.

Mr. and Mrs. Seth Adams returned Monday from a visit with their son, Seth Adams Jr., and family at Alamogordo, New Mexico. While away they visited the White Sands, Lava Beds and the Lee County Museum.

"Battle Hymn of the Republic," written by Julia Ward Howe, was first published in the Atlantic Monthly in 1862.

JAMES SAXTON, University of Texas sophomore quarterback, tries out his injured hand while recuperating at his home at Palestine. He almost lost the little finger on his right hand when a mower sickle bar slipped and cut the tendons of the finger while he was working on a ranch. Saxton said he thought the injured finger will be healed by the start of fall football practice.

Napoleon, seeking a way to nourish his armies, offered a prize which led to the development of food canning.

Canuck is a term sometimes used in the United States to denote a Canadian.

HHS Orchestra Gives Program at Lions Club Meet

Music in a modern mood was provided Tuesday at noon as the program feature of the Hamlin Lions Club, meeting in regular luncheon session at the oil mill guest house. A seven-piece orchestra unit from Hamlin High School Band, directed by Tim Jones presented the numbers.

With only two weeks' work in Hamlin, Director Jones was complimented for his accomplishments with the group, which had only had one evening's practice for their Tuesday appearance. The group played three numbers, "The Grand Entry March," "I Want You" and "Swing March No. 1." Band Director Jones had three of the musicians dressed in the new uniforms which recently arrived.

Members of the orchestra unit were Carol Jo Simpson, Rebecca Ferguson, Peggy Dodd, Barbara Cheshire, Thelma McClung and Barry Cheshire.

President Donley Williams announced that a message of congratulations on the club's thirtieth birthday had been relayed from a New Hampshire Lions Club president, who is a ham radio operator, through a Sweetwater operator to the local Lions Club president.

SAFETY FOR SCHOOL CHILDREN IS DIFFERENT

How times change! It wasn't too long ago that kids walked—or, if they were lucky, rode a bike—to school each day. Some of our parents even rode horseback to school.

Those days, the distance most children had to cover was at least a mile, often more—and regardless of the weather.

Those days are gone forever. Many students still walk to school, but increasing numbers drive.

The problem of schools in bygone days was to get enough racks for students' bicycles. Today, high schools often must build parking lots to hold the mass of motor vehicles their students arrive in.

If schools don't construct parking lots, students have to leave their cars around the school buildings—thereby creating a traffic hazard for motorists and pedestrians. The motor vehicle, then, can be quite a headache to schools.

Nearly 6,000,000 teen-agers—many of them students—drive cars. They make up about one out of 14 of the nation's 80,000,000 licensed drivers.

A teen-age driver is involved in one out of 10 fatal auto accidents. Main fault of teens, according to the National Safety Council: A tendency to speed.

"Lots of teen-agers drive to school today," the council said. "And, unfortunately, young people too often get an urge to show off around their friends. The result? More accidents involving teen-agers."

Solution to the problem? "One way to bring down the accident toll among young drivers is for every student to take driver education," the council said. It urged adherence to this driving code:

1. Be proud of your driving. Do your part to prove teen-agers can be the best drivers on the road.
2. Smooth driving is the mark of a pro. Don't make jackrabbit starts, squealing turns and fast stops.
3. Be courteous at the wheel. Give the other fellow a break.
4. Don't try to get ahead of the other driver or to even the score if he's inconsiderate.
5. Speed is a killer. Adjust it to road, weather and traffic conditions.
6. Keep both hands on the wheel and your eyes on the road.
7. Obey the law. Stop at stop signs.
8. Keep your car in top condition. Give special attention to tires, lights and brakes.
9. Don't be a bumper chaser. Keep a safe distance between you and the car ahead.

4-Hers Aim for Top Quality

Scientific agriculture is widely practiced today to produce both quality and quantity crops. Under the direction of the State Extension Service, 4-H Club members of the Hamlin area and the rest of the state are learning modern farming techniques employed in soil and water conservation, and in growing and marketing crops.

By participating in these projects, rural youths put into practice the latest methods recommended by the U. S. Department of Agriculture and leading industrial agricultural researchers. Throughout the state hundreds of farms have been improved and incomes increased as a result of 4-Hers carrying out the objectives of these programs.

Incentive awards are offered by leading business firms in recognition of outstanding achievement. After demonstrating ability in their farm projects 4-H boys and girls look forward to winning the top state award, an all-expense paid trip to the thirty-eighth National 4-H Club Congress at the Conrad Hilton Hotel in Chicago.

Members receiving the state award then become eligible for a national 4-H college scholarship worth \$400. Recipients will be announced during the Congress November 29 to December 3.

Awards in the field crops program are provided by Acadian Products Department of Allied Chemical Corporation. The soil and water conservation awards are given by Firestone Tire & Rubber Company.

Nuggets of Thought

Every man is a quotation from all his ancestors.—Ralph Waldo Emerson.

We all learn easily to imitate what is base and depraved.—Juvenal.

He who imitates an evil example generally goes beyond it, he who imitates a good example generally falls short of it.—Francisco Guicciardini.

In imitating great authors, I have always called myself.—Joseph Addison.

It is impossible to imitate Voltaire without being Voltaire.—Frederick the Great.

There is much difference between imitating a good man and counterfeiting him.—Benjamin Franklin.

Almost all absurdity of conduct arises from the imitation of those whom we cannot resemble.—Samuel Johnson.

Habit is a cable. We weave a thread of it every day, and at last we cannot break it.—Harace Mann.

It's the Little Things

There is a story to the effect that one of the greatest financiers of France got his start by picking up a pin. The boy had applied at a bank for a position and had been refused. As he was about to leave the room, he saw a pin and stopped to pick it up.

The banker saw the lad pick up the pin, and decided that he had the faculty of being careful about details; and so he called back the lad and employed him.

This is a lesson everyone must learn. It is so often that the small things are of more importance than the greater ones. Most anyone is careful about big things, but the man of character looks also after the little things.

Once there was a young man who applied for a position in a store. He came highly recommended, and seemed to have all the qualifications needed. He had occasion to write a letter to the firm and in that letter he misspelled the word Tuesday. That little error lost him the job, because it indicated to the employer that he was not accurate about little things.

It is well to remember that people are reading one's character not so much by the important things one does, but by the little things one may think not worth noticing.

Editorial of the Week

REPUBLICANS ATTACK LEGISLATURE.

To Texas Republicans, our all-Democratic state Legislature did nothing but take care of Senator Lyndon Johnson and the alligators, and it all proves the need—they say—of a strong two-party system in the state.

There is a lot to their do-nothing charge, but whether a two-party system along the Democrat-versus-Republican lines would help is open to question right now.

For one thing, there already is a "two-party" system in the Legislature within the Democratic party. It is the same division which exists throughout the country irrespective of political parties: Those who want more government and more spending and those who want less of both.

Until both major parties adopt rigid principles and stick to them, the public will become more confused and less dependent on party lines.

Politically, what the country needs is a realignment separating the liberal sheep from the conservative goats. But political traditions do not die easily. In the meantime, principles are diffused and party labels become almost meaningless.—The Dallas News

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, braunier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

Don R. Hicks Finishes Naval Boot Training

Don R. Hicks of 212 Northwest Avenue C, Hamlin, is scheduled to graduate from recruit training September 18 at the Naval Training Center at San Diego, California. The graduation exercises, marking the end of nine weeks of "boot camp," will include a full dress parade and review before military officials and civilian dignitaries. In nine weeks of instruction the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet, according to a release from the base to The Hamlin Herald.

AUSTRALIAN TOT TEXAS-BOUND—Alan McKenzie, two-year-old Perth, Australia, youngster, is held by his mother, Mrs. Joan McKenzie as she talks with Dr. D. A. Bloomfield at San Francisco International Airport after their arrival by plane. The boy, suffering from a rare heart condition, is en route to Houston for surgery. Residents of western Australia contributed \$13,400 to pay for the trip and operation.

Pep Squad Perfecting Novel Techniques

Hamlin High School Pep Squad, which will be backing the Pied Piper football team Friday night at Merkel, has been striving to develop a new marching technique, reports Dora Mitchell, the sponsor.

This marching squad, under the leadership of Drum Major Judy Ford and Majorettes Jorene Hudspeth and Nina Jean, is presenting a colorful half-time performance at each game.

Head Cheer Leader Kay Milborn and Cheer Leaders Nell Walden and Darla Harkey lead the squad in creating much enthusiasm with their cheers and chants at the Piper football tilts.

Freight Carloadings For Santa Fe Climb

Freight carloadings for the Santa Fe Railway System for the week ending September 5, 1959, were 23,356 compared with 22,316 or the same week a year ago, reflecting a decided increase. Cars received from connections totaled 11,037 compared with 10,807 for the same week a year ago.

Total cars moved were 34,393 compared with 33,125 for the same week a year ago. Santa Fe handled a total of 33,753 cars in the preceding week this year.

According to the latest figures, last year's 100 top national newspaper advertisers invested over \$300,000,000.

Mrs. Lee Hopper Succumbs Monday After Heart Attack

Mrs. Birdie Mae Hopper, 63-year-old wife of a long-time Hamlin auto mechanic and garage operator, died early Monday following a heart attack. The end came at the Hamlin Memorial Hospital, where she had been for two days. She had been ill for about two months.

Funeral services were conducted Tuesday afternoon at the First Methodist Church, with the pastor, Rev. Edmund C. Robb, officiating.

Interment was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were J. F. Bishop, Jim H. King, Byron O. Bell, Alton Mayfield, Clifford Eoff Jr. and Gene Adams.

Born January 26, 1896, at Palmer, she was the daughter of Elisha and Frances Winkels. She married Lee H. Hopper at Sweetwater in 1914. The couple lived at Roby before moving to Hamlin in 1917. She was a member of the Methodist Church.

Surviving Mrs. Hopper are her husband; one son, F. K. Hopper

Entertainment Shows At State Fair Many

Program of entertainment, exhibits, livestock shows and special events for the 1959 State Fair of Texas, October 9 to 23, in Dallas indicates there will be more to see, more to do, more that is free and more that is new at the nation's largest annual exposition this year.

The daily entertainment calendar of the fair as usual is crowded, with the famous McGuire Sisters heading a musical revue in the Music Hall and the ever popular Ice Capades bringing in an all-new show.

Livestock premiums at the fair are higher than ever, totaling over \$120,000, and the judging program is equally impressive with many new events.

of Grants, New Mexico; two daughters, Mrs. Oma Lee Crowe of Hamlin and Mrs. Juanita Reector of Fort Worth; three brothers, Leslie Winkels of Anson, Ballard Winkels of Plainview and Alfred Winkels of California; five sister, Mrs. Lona King of Hamlin, Mrs. Flora Alexander of Afton, Mrs. Alice Day of Afton, Mrs. Jewel King of Imperial and Mrs. Irene White of Comanche; and nine grand-children.

Man Is Safer Today From Accident Death

Man is safer from accidents today than he was 35 years ago.

The National Safety Council discusses the increased safety of the people of today in its recently published statistical yearbook, "Accident Facts."

In 1958, the council booklet shows, 91,000 Americans met accidental death — only 1,100 less than the 1923-32 average of 92,100.

It's more impressive though, when the rapid population growth since 1930 is considered, the council pointed out.

Thirty-five years ago there were 77.4 accidental deaths for every 100,000 people in the United States. Last year there were 52.5 deaths.

Jameline Davis of Lubbock Becomes Bride of Dennis Johnson Saturday

First Church of the Nazarene in Lubbock was the scene Saturday evening of the marriage of Jameline Davis of Lubbock and James Dennis Johnson of Hamlin. Rev. Milton Poole officiated for the double ring ceremony at 7:30 p. m.

Parents of the bride are Mr. and Mrs. Jim M. Davis of Lubbock, and young Johnson is the son of Mr. and Mrs. Manny S. Johnson of Hamlin.

The bride's gown was of champagne lace and tulle over taffeta fashioned with sabrina neckline trimmed with iridescent and pearls. The bouffant skirt was of tulle length and had a cascade of tulle ruffles at center back. Her shoulder length veil fell from a Juliet cap of lily of the valley. She carried a white orchid showered with stephanotis on a Bible.

Maid-of-honor was Janice Porter. She was dressed in a tango colored gown with matching accessories.

Friendship HD Club Meets at Guest House

Members of the Friendship Home Demonstration Club met last Thursday in the oil mill guest house, with Mrs. Sol Branscum as hostess.

Mrs. Mary Newberry, the home demonstration agent, brought an interesting and helpful program on "The Selections of Fabrics and Trimmings."

Cookies and punch were served to the following: Mmes. Fred Carpenter, E. G. Young, B. H. Gardner, Carl Young, John Hix and two visitors, Mrs. Neil Laminack of Hamlin and Mrs. Bernice S. Laminack of Port Arthur.

Donald A. Johnson attended his brother as best man. Ushers were Milton R. Johnson of Lubbock, William Ralph Johnson of Hutchins, Marvin S. Johnson of Amarillo, all brothers of the bridegroom, Steve G. Reynolds of Hamlin, his cousin, and Roy Davis brother of the bride.

Candle-lighters were Jolyn Rieger, cousin of the bride, and Nancy Johnson, niece of the bridegroom. His other niece, Leigh Ann Johnson, was flower girl. Bobbie Poole was ring bearer.

Music was presented by Hampton Anderson, organist, and Shirley Potts, soloist.

For a trip to New Mexico the bride wore a costume of royal blue wool crepe and black accessories.

The couple will reside at 3404 Twenty-Fifth Street in Lubbock.

The bride is a 1959 graduate of Monterey High School in Lubbock and attends Draughton's Business College. The bridegroom, a graduate of Hamlin High School, is a senior economics major at Texas Technological College and will graduate in January. He is a member of Delta Sigma Pi and Phi Kappa Phi. He is employed by Texas, New Mexico and Oklahoma Coaches, Inc.

Woodrow Bagleys to Observe Anniversary

Mr. and Mrs. Woodrow Bagley of the Radium community, southeast of Hamlin, are celebrating their twenty-fifth wedding anniversary with an open house for their friends Sunday afternoon.

The open house will be from 3:00 until 5:00 p. m. at the family home. The public is invited.

Hamlin Garden Club Opens Club Year at Guest House Lunch

"Beauty on a Budget" being the theme of the year, the Hamlin Garden Club opened its club year with a luncheon at the oil mill guest house. Hostesses were members of the yearbook committee, Mrs. LaFoy Patterson, Mrs. C. E. Cook and Mrs. Johnnie Agnew.

Luncheon was served to 21 members and one guest, Mrs. A. G. Smith.

Mrs. Joe League, president, presided and welcomed two new members, Mrs. O. L. Henry and Mrs. Lewis Boyd.

Mrs. Dick Maberry presented Mrs. A. G. Smith, florist, who spoke on "Cottage Making" and demonstrated by making lovely corsages which she later presented to ladies in the hospital, thereby accenting the motto of the month, "What is lovely never dies, but passes into other loveliness."

Mrs. League presented Mrs. Smith a gift of costume jewelry on behalf of the club.

Mrs. R. D. Moore explained that tickets to the Helen Poe lecture and travel were to be sold by members of the club. As members received tickets the meeting was adjourned.

Jones County Women Go to State THDA Confab at Galveston

Three Jones County women left early Tuesday for Galveston to attend the annual convention of the Texas Home Demonstration Association as representatives of Jones County Home Demonstration Clubs. The convention, opening Wednesday and continuing through Friday, is featuring outstanding state and national leaders in women's club work.

More than 1,000 women representing 30,000 members in some 1,600 Home Demonstration Clubs from over Texas are expected to attend the convention.

Going to the convention from Jones County were Mrs. J. E. McCoy of the Good Neighbor Home Demonstration Club, Mrs. W. R. Grimm of the Tuxedo Home Demonstration Club and Mrs. Herman Steele of the Friendly Circle Home Demonstration Club.

Area Women Invited To Jayton Clinic on Home Improvement

Women of the Hamlin area—members of Home Demonstration Clubs, garden clubs and individuals—are being invited this week by the county home demonstration agent, Mrs. Agnes Marrs, and other women of Kent County to attend a two-day home improvement workshop, to be held at Jayton next Tuesday and Wednesday, September 22 and 23.

Sadie Hatfield, homemaking specialist of the Texas Extension Service, will be in charge of the workshops, to be held in the new air conditioned courthouse. Registration fee will be 50 cents.

Women planning to attend the workshop on either day or both days, are urged to get blanks from Mary Y. Newberry, Jones County agent, and fill them in for mailing to Mrs. Marrs so that arrangements can be made.

THESE WOMEN!

"Oh, that wife of mine and her flair for the unique!"

Luncheon Saturday Opens Xi Gamma Pi Sorority Club Year

Members of the Xi Gamma Pi chapter of Beta Sigma Phi held their first meeting of the new club year Saturday when the group met in the home of the president, Mrs. E. J. Hawkins, for a covered dish luncheon.

Members were seated at quarter tables and enjoyed a delicious meal.

After the luncheon, Mrs. M. L. Smith, program chairman for the year, presented an interesting program entitled "On Being Alive" from the new study book, "Written in Our Hearts."

At the conclusion of the program she presented each member the new study book and program plans for the year.

Those present were Mmes. Weldon Carlton, E. D. Perrin, George Poe, W. T. Johnson, C. Weldon Griggs, Gerald Young, Jim Ballard, Arlie Cassie, Earl Smith, John C. Bryant, Jerry Waggoner, Wesley Nail, Holly Toler, M. L. Smith, Bill Feagan and E. J. Hawkins.

Next meeting of the sorority group will be held September 24 in the home of Mrs. George Poe.

Methodist Women Hold First Luncheon

Women of the Woman's Society of Christian Service of the First Methodist Church held their first monthly luncheon Tuesday in the fellowship hall with the Copeland Circle as hostess.

Mrs. L. C. Bonds directed the program on "A New Year—New Responsibilities." Theme for the programs for the ensuing year will be "There Is a Light Upon the Mountain." Mrs. L. A. Johnson gave an inspiring talk on an African missionary's life.

Mrs. Richard Young Jr., president of the society, presided over the business session that followed the program. Mrs. A. B. Carlton closed the meeting with prayer.

In early times barber's work including dressing wounds, blood-letting and surgical operations.

Banshees, according to Irish and Scotch legend, wail near a house when an inmate is about to die.

Minna M. Campbell, Bride-Elect, Feted at Gift Tea Thursday

Minna Mae Campbell, bride-elect of Airman First Class J. W. Roberts of Oklahoma, was feted at a miscellaneous gift tea last Thursday evening in the home of Mrs. Herbert Crouch, 812 Southeast Avenue B.

Mrs. Jessie Bill Sauls greeted the guests. Those in the receiving line with the honoree was Mrs. George E. Campbell, mother of the bride-elect.

LaNell Cross registered guests. Mrs. Herbert Crouch and Mrs. Hub Hopper displayed the gifts.

The table was laid with a blue linen atop a lace cloth with a centerpiece of pink roses. Refreshments were served by Mrs. A. G. Anderson and Mrs. William A. Pattillo. Assisting were Mmes. E. B. Hopper, R. R. Christian, Rex Reynolds, Paul Carlan and Albert Neeley.

Friends SS Class in Monthly Social Meet

Members of the Friends Sunday School Class of the First Baptist Church met in their monthly social and business session Monday evening in the home of Mrs. Clyde Grice.

The hostesses, Mrs. Tom Nail, Mrs. Ernest Lee, Mrs. Noel Weaver and Mrs. Grice, served pie and coffee to Mmes. Agnew, Everett Gibson, Lula May Crawford, Ben Parker and Walter Hargrove.

Clinic on Hat Making Set at Anson Tuesday

There will be a clinic on hat making for women of Jones County on Tuesday, September 22, beginning at 9:30 a. m. in the office of Mary Y. Newberry in the basement of the courthouse.

Mrs. Dottie Ordelheide of Abilene will conduct a two-hour class each week for six weeks, and there will be a charge of \$10 per person, it is announced.

Interested Home Demonstration Club members and non-club members should attend this preliminary meeting. Mrs. Ordelheide will discuss supplies, show custom-made hats and plan the six future meetings.

Elizabeth Norton to Wed Dewey Nunley in Saturday Rituals

Rev. and Mrs. Joe Norton are this week announcing the engagement and approaching marriage of their daughter, Elizabeth Anne, to Dewey George Nunley, son of Mr. and Mrs. E. D. Nunley of Hamlin.

The couple will exchange vows Saturday, September 19, at 3:00 p. m. in the Church of the Nazarene, with the father of the bride officiating.

The bride-elect is a graduate of Hamlin High School and a senior student at North Texas State College.

The prospective bridegroom is a graduate of LeFors High School. He attended North Texas. He is vice president of the Koriath Company, Inc., mechanical contractors at Denton.

Parents of the couple invite their friends to be present for the Saturday rites.

Otidaka Camp Fire Girls Elect Officers And Stage Picnic

The Otidaka group of Camp Fire Girls met in regular meeting Tuesday afternoon at the camp fire hut in West Hamlin.

Officers were elected as follows: Mary Lois Patterson, president; Elizabeth Cunningham, vice president; Marolyn Reynolds, secretary; Mary Margaret Turner, treasurer; and Jeannette Green, scribe.

Plans were made for the first quarter of the ensuing year's work.

Refreshments were served by Assistant Leader Jewel Green. Those present, besides the above mentioned, were Lucille Cunningham as leader; Carolyn Reynolds, Connie Jo Duncan, Linda Hallmark, Christy Wallace, Mary Ann Elkins.

A picnic was held at the City Park, with Mary Lois Patterson as hostess.

Games were played and a birthday cake was served honoring Connie Jo Duncan.

Adults present were Mr. and Mrs. J. C. Turner and Janie Carol, Mr. and Mrs. Louie Cunningham, Mrs. LaFoy Patterson and Mrs. Edgar Duncan.

BCD Agriculture Committee Planning Farm and Ranch Tours for Citizens

"How can the Board of Community Development Better Serve the Agriculture Industry?" was the theme for discussion when the agriculture and livestock committee of the BCD met at a Dutch breakfast in the City Cafe Tuesday morning, according to R. L. McClung, director.

McClung pointed out the need for this committee to select projects for the coming year and start laying the ground work for them. He said, "Too frequently activities of this committee are taken for granted and soon become dormant. But if objectives of the BCD are to be reached, this committee must function along with other committees of the organization."

The committee adopted an immediate action program to provide housing and other necessities for farm laborers during the fall harvest and mapped plans for the January Club Boys Livestock Show to be held in Hamlin.

Fred B. Moore Jr., BCD president, suggested that the committee undertake a project to provide a barn located in an area large enough to hold the livestock show. He said he would personally undertake the responsibility of pricing material and labor for the

construction of the building, and help raise funds to finance the project.

In their desire to create a better understanding of city and farm, the committee outlined plans for holding a city-farm tour for business men and other interested citizens of Hamlin to give a first hand look at farm operations of many farms and ranches in this area. The committee agreed to work out a program for this tour with the idea of conducting it some time in August next year.

Present for the first committee meeting were R. L. McClung, director; Fred B. Moore Jr., president; Jess Young, Holly Toler, and BCD Manager Orville D. Bonds. Others on the committee are Jack Willingham, L. C. Bonds, Watt Fletcher, C. T. Gregory, LaFoy Patterson, Cecil Richardson and J. W. Simmons.

About one-third of the world's total coffee consumption is used by the people of the United States.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin. — "Dodgwood time in Texas" could come around Thanksgiving this year.

In years past, the deadline for candidates to file for a place on the Democratic primary ballot was the first Monday in May. Would-be candidates frequently followed an old East Texas tradition of holding off formal announcements "until the dogwood is out." Depending on the season, dogwood blooms in late February to early March or two to two and one-half months before the old May filing deadline.

Election law changes passed this year move the filing date up to February 1. If the whole schedule is moved up accordingly, "dogwood time" would be from late November to early December.

Probably, for the first time at least, long habit will cause most candidates to feel this is too early. Also for the first time in 1960, county officials will face a new fact of life. A constitutional amendment adopted last year bars them from running for another office while holding their present office, if it has more than one year to run.

This means, that district judges, district attorneys, county judges, etc., all of whom have four-year terms, cannot run for one state office in their "off year." They will have to resign first.

This rule does not apply to state officials holding four or six-year offices.

Battle Lines Forming. — However lively state politics, they probably will be eclipsed by the tremendous interest building up in national party politics.

Focal point of most of the suspense and activity is U. S. Senator Lyndon B. Johnson, first Texan since John Nance Garner to be regarded seriously as a potential presidential nominee.

Clubs to support Johnson are already being formed, and Democratic Executive Committee Chairman J. Ed Connally of Abilene has predicted strong unity behind the senator.

But complete unity is unlikely. Liberals are forming a Texas Democrats for Stevenson organization.

First showdown will be at the precinct conventions. They will be May 7 since the new law moves the date from the last Saturday in July to the first Saturday in May.

Report to Taxpayers. — Texas government cost more last year than ever before and will cost even more in the fiscal year that began this month.

But there was a bright spot in State Comptroller Robert Calvert's report. Because of a new bookkeeping system enacted by the Legislature, the general revenue fund deficit is only \$26,571,159 instead of \$67,000,000 that was predicted.

Calvert reported the state spent \$1,163,883,080 in the year just ended. This is \$140,000,000 more than the previous year. In the present year spending will be some \$50,000,000 higher than in the year just ended.

Biggest expenditures, in the order of their cost, were for highways, schools, public welfare, state hospitals and penal institutions.

Study for Survival. — A new adult education program, aimed at the person who wants to live to a ripe old age regardless of what happens, will be launched this fall in Texas.

Texas Education Agency, in conjunction with several other state and federal agencies, is setting up the civil defense study program. It will be offered initially through public schools and junior colleges.

TEA's team of civil defense consultants will begin by holding workshops in various Texas cities and towns to train teachers. The teachers in turn will set up free classes for the public.

A 12-hour course in six two-hour sessions is planned. It will cover the potential perils from both natural and man-made disasters, and how to survive them.

Texas is one of five pilot states which will pioneer this program this year. Next year 29 states will participate.

Damp Harvest. — Too much rain at the wrong time has caused Texas crop prospects in some areas to sag.

U. S. Department of Agriculture

KERRY DRAKE

has estimated the state's 1959 cotton crop at 4,525,000 bales. This is 225,000 bales less than was predicted earlier. Hot weather, causing insect damage, and root rot, particularly in East Texas, were blamed. Quality, as well as quantity, of cotton has been hurt by the rains.

In some parts of the state August was the wettest month this year. Rice, some sorghum and vegetables also have been damaged in the sections near the coast.

Hatchet Bitter. — A long and sometimes bitter controversy over Trinity River water apparently has ended in compromise.

Conflict had developed between the City of Houston and the Trinity River Authority, for which Dallas and other up-river residents were spokesmen. Each group wanted a permit from the State Board of Water Engineers to build a reservoir on the Trinity.

Charges and counter-charges were exchanged with a strong undercurrent of regional rivalry. A shouting contest before the water board seemed inevitable.

Now TRA and Houston have agreed on a plan by which the reservoir would be built, owned and operated jointly by the two. Houston would pay 70 per cent of the cost and get 70 per cent of the water.

Plan cannot be final until approved by the water board.

Beware of Bats. — Leave bats alone, warns the State Health Department in its September bulletin.

Department officials have studied several cases in which rabies was apparently transmitted to people by bats. Two of the cases involved women who were trying to help bats that seemed to be hurt. Death resulted in each instance.

Bats serve a useful purpose, the bulletin points out, consuming as much as twice their weight in insects each night. A healthy bat, it continues, won't come near

people. And if people exercise reasonable caution, says the article, there is little danger.

Between 1947 and 1957 the average annual cost of the family food basket increased \$24. According to the U. S. Department of Agriculture, \$130 of this increase was directly the result of increased labor costs. The farm value increased \$3 in the same period.

NOTHING TO BUY—JUST COME IN AND GET YOUR CARDS AT SAFEWAY FOLLOW THESE SIMPLE RULES

1. Pick up your Safeway "Cross-Out" Card today at your Safeway Store—and each time you stop thereafter for the next 8 weeks.
2. Match the numbers on your card against the master numbers. Pencil an X over those numbers on your card that match these numbers.
3. If you can "X-OUT" on your card, five numbers in a row, either down, across or diagonally, you have WON A PRIZE! Just turn over your card and you'll know what you have won.
4. IF YOU HAVE A WINNER—Fill out the required information on the back of the card and mail it to: Cross-Out, Box 551, St. Louis, Missouri. You'll receive your prize in about 15 days.
5. IF YOU HAVEN'T A WINNER THIS WEEK—Erase the X's from your card and save it to play against Safeway's ads next week-end in this paper, and each succeeding ad of the contest.
6. Save this "Cross-Out" ad and every "Cross-Out" ad for the next 7 weeks—a previous "Cross-Out" may have winning numbers for a new card.
7. Any one card and any one ad can be matched to claim a winner but numbers from more than one ad cannot be combined to form a winning card.
8. Cards will be given to adults only.
9. Complete rules and instructions on every "Cross-Out" card.

HERE'S YOUR FIRST "CROSS-OUT" GAME!

MATCH THESE NUMBERS AGAINST YOUR CROSS-OUT CARD NOW AVAILABLE AT SAFEWAY

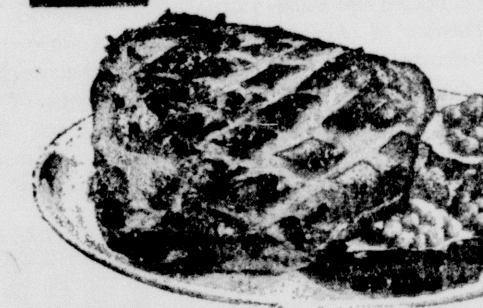

If you have 5 numbers in a row—down, across, or diagonally on your card you have a winning card. Turn card over to see what you have won and mail card as directed. You will receive your prize in a few days.

HHS Gridders Go to Merkel For Next Game Friday Night

Pipers Doped to Take Third Game in Straight Row

Although Coach D. C. Andrews' Pied Pipers are destined to continue their winning ways down at Merkel tomorrow (Friday) night when they take on Carol Benson's Class A Badgers, they will be facing probably the heaviest team on their slate for the year, Andrews said Wednesday.

Comparison of the weight information on the teams shows the Badgers will outweigh the local gridders an average of 15 to 20 pounds. The Badgers have two men on the regular squad who top 200 pounds. Hamlin's heaviest regular hits 174 pounds.

Merkel will not be a push-over by any means. Last year the Pied Pipers came from behind in the fourth quarter of the tilt to win 24 to 18. It was Merkel's first loss.

Merkel went on last year to win the district A title, tripping Albany in a bi-district game, but lost to the Brady crew in the regional play.

DISTRICT 6-AA STANDINGS

Things are beginning to take shape in the standings of District 6-AA football teams after two weeks of playing non-conference tilts. The teams made their same record as the previous week—three wins and two losses. The standings looked like this:

Teams—	P.	W.	L.	T.	Pct.
Stamford	2	2	0	0	1.000
Hamlin	2	2	0	0	1.000
Seymour	2	1	1	0	.500
Anson	2	1	1	0	.500
Haskell	2	0	2	0	.000

Results Last Week.

Hamlin 14, Spur 12.
Stamford 55, Ballinger 6.
Olney 19, Haskell 8.
Seymour 33, Munday 0.
Winters 14, Anson 6.
Where They Play Friday.
Anson at Spur.
Hamlin at Merkel.
Olney at Haskell.
Stamford at Cleburne.
Haskell at Burk Burnett.

The Friday night game will be the first away-from-home melee for the Pied Pipers. A big dele-

Tickets for Air Force Band Concert on Sale

Tickets for the two performances of the world famous U. S. Air Force Band, which will appear at McMurry College September 23 in Abilene, have been placed on sale.

McMurry will be host to the famous military organization in a matinee performance at 3:00 p.m. and again at 8:15 p.m. next Wednesday. Both performances will be held in the Radford building on the McMurry campus.

Featuring "opera to be-bop" and "symphony to swing," the versatile "men in blue" have traveled around the world spreading good will.

gation of fans, plus the Pied Piper Band and Girls Pep Squad, will follow the gridders to Merkel. The Pied Piper Booster Club is sponsoring a caravan of fans that will meet in front of the high school building at 6:30 to have the cars decorated in school colors and then leave in a body for the trip to Merkel.

Coach Andrews said Wednesday his boys are in good shape for the game. No shift in starting line-ups is contemplated, he said.

Humble Arranging for Most Elaborate Broadcasts of Football Games Ever

The most comprehensive coverage of football ever attempted in the Southwest will be broadcast and telecast this season by Humble Oil & Refining Company.

The Humble coverage includes live telecasting of a major college football game each Saturday afternoon, 89 radio broadcasts and 11 telecasts of videotape recordings of Southwest Conference games.

Humble will co-sponsor the National Broadcasting Company's live telecasts of football games as permitted by the NCAA and will sponsor three live telecasts of Southwest Conference games, a total of 13. All games played by seven Southwest Conference members, Texas Western University, the University of New Mexico, Arizona State University and the University of Arizona will be broadcast over the radio.

Announcers and broadcast supervisors will travel thousands of

miles to the site of each game to bring the on-the-scene descriptions. One announcer will even travel to Honolulu where he will describe the University of Hawaii-Arizona State University game to fans some 3,000 miles away in the Grand Canyon State.

More than 180 radio and TV stations will be used to cover over 100 urban and rural areas in cities and towns in the Southwest. The leased lines, coaxial cable, microwave and overseas broadcasting systems required would be enough to stretch two-thirds of the way to the moon.

To originate football broadcasts Humble has a staff of 23 top-notch announcers, many with years of experience. Kern Tips of Houston, head of the staff, has been describing games for 24 years; Vex Box and Eddie Barker of Dallas and Dave Russell of Beaumont have been on the circuit for more than 10 years. These announcers are thoroughly trained to give good accounts of the games. Each year they attend a seminar conducted by Tips and a Southwest Conference football coach. At the seminar they discuss new rule changes and all types of play likely to be seen during the upcoming season.

Incidentally, these announcers "talk a lot of words" about football. Alce Chesser of Houston, Tips' color announcer for a number of years, once did some figuring. He estimated that Tips speaks some 264,000 words about football over the air each season.

Bert Lee Whaley, Hamlin Farmer, Passes Saturday

A long time farmer in the Hamlin community, Bert Lee Whaley, 71, died early Saturday morning at the Hamlin Memorial Hospital after an illness of some four months. He had been in the hospital about a week.

Funeral services were conducted Sunday afternoon at 3:00 at the First Baptist Church. Officiating were Rev. Byron Bryant, pastor, and Rev. Edmund W. Robb, pastor of the First Methodist Church.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Johnny Hines, Emmett Jenkins, Perry Lakey, Sigmund Stovall, Wesley Nail, J. C. Turner, C. L. Howard and Arlie Cassie. Born at Eddy, Texas, on October 16, 1886, deceased was the son of Mr. and Mrs. Robert Whaley. He married the former Nellie Mae Singletary at San Angelo on October 20, 1913. The couple lived at San Angelo for several years, coming to the Hamlin area 32 years ago, where they farmed. He was a member of the First Baptist Church.

Surviving the farmer are his widow; one son, Bert Whaley Jr. of Shreveport, Louisiana; two brothers, John G. Whaley of Hamlin and R. L. Whaley of De Leon; and two grandchildren.

Area Methodists to Attend Enlistment Institute at Anson

Numbers of Methodists of the Hamlin territory will be present when the Stamford and Abilene Districts of Methodist Churches hold their enlistment institute at Anson today (Thursday).

This institute will give instruction and inspiration for the "Year of Enlistment" emphasis that is the program of the church for this year.

Those expected to attend from the First Methodist Church are Rev. Edmund W. Robb, pastor, who will be one of the speakers; Wesley Nail, chairman of the membership and evangelism committee; Mrs. Molly Toler, chairman of the commission on missions; Richard Young, Sunday School superintendent; Melvin Scott, assistant Sunday School superintendent; Bill Fairbetter, superintendent of the adult division of the Sunday School; Mrs. Fred Smith, superintendent of the children's division; and Mrs. Buren Carlton, superintendent of the youth division.

Caravan to Merkel Planned by Boosters

First caravan of football fans to another city for the season will be sponsored tomorrow (Friday) evening to Merkel by the Hamlin Pied Piper Booster Club.

Cars will gather at the front entrance to the high school building, where they will be decorated by Pep Squad girls with school colors. Then the group will go in a body to Merkel. Cars should be at the school by 6:30. It is pointed by booster club officials.

The booster club announces that any fans who do not have transportation to the game will be provided place in the caravan by others who will be taking their cars.

Highland Holds Long End of 33 to 9 Score Against McCauley

Highland defeated McCauley's Eagles 33 to 9 in a six-man tilt Friday night at Highland.

After a scoreless first quarter Highland racked up 20 points in the second period on touchdowns by Louis Moore and two by Darrel Petty with a two-point conversion by John McRae.

McCauley tallied in the third period on a three-yard plunge by Halfback Gene Talt.

Both teams scored twice in the fourth period. A pass from Petty to Woody Owens was good for 30 yards and a marker for Highland. Petty passed to End Larry Wright. Petty made the extra point.

McCauley's Melvin Green hit Fullback Jimmy Jeffrey for a 24-yard pass, and Jeffrey made the extra point on a pass. Green ran nine yards for McCauley's final score.

Oleta Avants Takes Appreciation Award

Oleta Avants of Hamlin won \$106 with a 20 per cent coupon at Saturday afternoon's drawing for Appreciation Day merchants. Her ticket was the first one taken from the barrel.

Consolation prizes provided by Carlton Hardware, Clyde Carroll Service Station and Piggy Wiggy were awarded to Nettie Kidd, Mrs. O. E. Brandon and Mrs. Frank Caudle.

Treasure chest for Saturday's drawing will be \$501.49.

HHS Seniors Start on Money Making Plans

Members of the senior class of Hamlin High School are starting early this year on their money-making propositions, declare officials of the group.

The senior-operated concession stand will be open at every A, B and Junior High football game, it is announced. Plans also are being made to sell calendars and Christmas cards.

Proceeds from the various selling projects are used for the annual senior trip next spring.

Just six per cent of the world's population lives in the United States. Yet Americans own 76 per cent of all the world's automobiles, 58 per cent of the world's telephones, 40 per cent of the world's electric products, and print 27 per cent of the world's newspapers.

District 6-AA Teams Again Win Three And Lose Two Games Over Week-End

Grid crews of District 6-AA repeated their performance of the previous week by winning three of their five games last week—all of them, non-conference affairs.

Haskell who won their first game, lost a 19 to 8 decision to the Olney Cubs. Winters, which had beaten Crane the previous week, downed Anson 14 to 6, although Anson held the edge in statistics. Stamford, again flashing state AA championship form, ran over Ballinger 55 to 6. Seymour, flinching from their loss the previous week to Crane, went by Munday 33 to 6. And Hamlin won over Spur 14 to 12.

After two scoreless quarters in the first half, Winters pushed over a marker in the third to take the lead in the Winters-Anson tilt at Anson Friday. A came back in the fourth to tally a marker. But the Blizzards roared back to put over another touchdown and make the extra points to salt away the tilt. Anson made 12 first downs to six for Winters. The Tigers rolled up 185 yards on the ground and 50 yards in the air to the Winters 110 on the ground and no completions of eight pass tries.

Stamford's state champion AA Bulldogs ran rough-shod over the Ballinger Bearcats 55 to 6 on the Ballinger grid Friday night. After a scoreless first quarter, the Bulldogs made five touchdowns in the second, one in the third and two in the fourth, and also made

seven points after the touchdowns. Ballinger's lone counter came in the fourth period when Quarterback Pip Lee threw to End Bill Jones for 20 yards. Stamford amassed 18 first downs on 247 yards rushing and 29 yards on two completions of six passes. Ballinger made six yards on the ground and 43 yards on three of 11 passes for five first downs.

After dropping their first tilt of the season the previous week to Spur, the Haskell Indians were on the short end of a 19 to 8 score against the Olney Cubs Friday night. Harold Phillips made 17 of Olney's 19 points. Olney tallied first in the first quarter, again in the third and Phillips kicked a field goal in the fourth. Haskell tied up the game in the second quarter with a touchdown and running the extra points.

After taking a 22 to 0 lacing at the hands of Crane the previous week, the Seymour Panthers drubbed the Munday Moguls 33 to 0 on the Munday grid Friday night. Billy Joe Carlock scored twice for Seymour, once in the first and again in the second. Jerry Underwood tallied also in second period when he caught a pass on the goal line. Chandler ran the two points. Seymour put over two more markers in the third period. Seymour rolled up 13 first downs on 30 yards on the ground to six first downs for Munday on 130 yards on the ground.

Hamlin's Pied Pipers took their second game in a row Friday night from the strong Spur Bulldogs with two points run over after a fourth quarter touchdown spelling the difference in the 14 to 12 decision. The first quarter ended 6 to 6, and that was still the score at the end of the third period. Coach D. C. Andrews boys pushed over another tally in the last quarter and Ken Prewit ran over the extra points. Spur came back to push over another touchdown late in the same period when Prewit ran 25 yards for pay dirt.

Two Points After Touchdown Edges Hamlin Over Spur

Hamlin High School's football crew showed improvement since their first game of the season the previous week and Friday night won their second game of the year against the strong Spur Bulldogs, last year regional winner in their district, by a 14 to 12 count.

Factor in the victory was the two-point conversion by Halfback Ken Prewit after the Pied Pipers' second touchdown in the fourth quarter.

Hamlin drew first blood while the first quarter was young when Mike Bond, HHS quarterback, raced 30 yards for a touchdown. The extra point try was no good. In the same quarter the Bulldogs came back for a counter after the visitors recovered a Hamlin fumble. Biggam plunged over for the touchdown on a six-yard drive in the line. The extra point try by Spur failed.

The second and third quarters were scoreless, with neither team threatening.

Early in the fourth quarter the Pied Pipers again counted when Prewit traipsed 16-yard on a run for pay dirt. Prewit then pulled a clever screen play for the extra two points that meant victory for Coach D. C. Andrews' boys.

The Bulldogs also marched over the double stripe when Paronto ran 25 yards for a marker. The conversion try failed.

Mighty Mice to Play Merkel Crew Tuesday

Coach Leslie Fambrough's Junior High School Mighty Mice will play the Merkel juniors in the first home game for the local grid crew at Hamlin next Tuesday evening at 7:30 p.m. Hamlin is favored to win the tilt.

Probable starting line-up for Hamlin will be: Jeff Willis and Timmy Ingram, ends; Lynn Starrock and DeWayne Bundas, tackles; Cleon Warner and Nick Moore, guards; Ronnie Sipe, center; Doyle Bell, quarterback; Larry Butler and Cecil Price, halfbacks; Gary Ted Jay, fullback.

Colorado City's Fish Crew Beats Hamlin Freshmen 22 to 18

Colorado City High School's freshman grid squad defeated the Hamlin High School freshmen last Thursday night 22 to 18 in a tilt played at Colorado.

Hamlin scored on a 40-yard run by Dan Newberry in the first quarter. She extra point failed.

Colorado City recovered a fumble on the Hamlin 12-yard line and scored a touchdown and extra points to lead 8 to 6 at the end of the first quarter.

Hamlin again took the lead on a 65-yard kick-off return by Van Newberry. Again the extra point try failed.

Again the freshman Wolves came back to score, and they led 14 to 12 at the half.

Danny Niedecken rammed 10 yards for a marker to put Hamlin back in front 18 to 14 at the end of the third quarter.

Colorado City scored with only four minutes left in the game, and ran the extra point over.

Hamlin scored on a 10-yard run with seconds remaining but it was called back on a penalty. Time ran out before another play developed.

The next freshman game is on September 24 with Rotan at Rotan.

Numerous Exhibits by Women and Girls Feature First Jones County Fair

The women and girls equalled or exceeded the men and boys in the number of entries in the first annual Jones County, which closed last Saturday at Anson.

The Anson Lions Club building was barely large enough to take care of the exhibits which the women assembled.

The antique division of the fair was exceptionally strong, according to Mrs. Mary Y. Newberry, Jones County home demonstration agent.

Alice Kemp of Roby, Fisher County home demonstration agent, and Barbara McAnnelly of Haskell, Haskell County home demonstration agent, judged the entries in the women's division.

Mrs. J. A. Walker was superintendent of the women's department, and Mrs. R. C. Huber was superintendent of the junior division.

Following is a summary of results in the women's divisions:

(Note—In women's, junior and teen-ager exhibits only ribbons designated as blue, red and white were awarded.)

Women's Exhibits

Crocheted Table Cloth—Mrs. E. L. McGilvary, blue; Mrs. Elmer Joiner, red.

Crocheted Stole—Mrs. Wayne Hendrick, white.

Pictures, Dolls, Appliques—Mrs. G. W. Viers, of Avoca white, two; Mrs. L. R. Wise of Stamford, and Mrs. Ed Lynn, two.

Educational Booth—Good Neighbor Home Demonstration Club, blue; Willow Creek Home Demonstration Club, red; Tuxedo and Friendship Home Demonstration Clubs, white.

Fruit Jars—Mrs. J. L. Price, red.

Hobbies—Mrs. Jack Fuqua, blue; Mrs. Dewey Ramsey, white.

Copper Work—Mrs. Vernon Stanley, white.

Table Covers—Mrs. Fred Carpenter of Hamlin, blue; Mrs. I. B. Ray of Merkel, red; Mrs. Homer Hutto of Anson, white.

Pillow Cases—Mrs. B. H. Gardner of Hamlin, blue; Mrs. Price and Mrs. Ralph Moody of Anson, two; and Mrs. Arch Herndon of Anson, reds; Mrs. Moody, white.

Quilts—Mrs. Oran Dean of Anson and Mrs. Price, blue; Mrs. Thomas Rushing of Anson, Mrs. Louis Johnson of Anson, Mrs. Charles Rust of Anson, Mrs. Cal McAninch of Trent and Mrs. Ellen

Shuquist of Avoca, reds; Mrs. W. L. McDonald of Anson and Mrs. R. O. Baxter of Anson, white.

Rugs—Mrs. Carl Young of Hamlin, red.

Bedspreeds—Mrs. Albert Abbott, blue; Mrs. J. C. Williams, red.

Milk Producers Get \$5.14 per 100 During August Production

Daily receipts of milk from producers during August were 1.99 per cent less than during July, but 14.60 per cent more than the amount received daily during August, 1958. The number of producers supplying milk to Central West Texas handlers were 504 compared to 527 during August, 1958, and 654 during August, 1957. The number included several in the Hamlin territory.

Daily delivery per producer during August was 969 pounds compared to 809 pounds during August a year earlier. The average butterfat test of producer milk was 3.698 per cent during August, 1959.

Minimum uniform price to be paid for 4.0 per cent milk received by Central West Texas handlers from producers during August will be \$5.14 per 100, according to Byford W. Bain, market administrator.

J. P. Morrison, 75, Retired Butcher, Succumbs Friday

Funeral services for John Pike (Butch) Morrison, 75-year-old retired meat cutter of 60 years, who had been a resident of the Hamlin community for 30 years, were conducted Friday afternoon at the First Baptist Church. Officiating were Rev. Byron Bryant, pastor; and Harry Hames and Austin Siburt of the Church of Christ.

Morrison, who had been ill for several years, died at the family residence, 312 Southwest Fifth Street, Thursday evening at 5:00 o'clock. He recently had undergone several major surgery operations.

Born January 23, 1884, at Florence, Alabama, he was the son of Mr. and Mrs. H. T. Morrison. He married the former Pearl Hames at Wolfe City, Texas, on February 5, 1918. The couple lived at Pampa for several years, moving to Hamlin in 1929.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Charlie Abbott, Elmer Terrell, John Howard Jr., Leon Moore, Woodie Scott and Clyde Huff.

Surviving are the widow, Mrs. Pearl Morrison; one son, John Ed Morrison of Midland; one daughter, Mrs. J. E. (Helen) Johnson of Hamlin; two sisters, Mrs. Emapola Gresham and Mrs. Helen Davidson, both of Florence, Alabama; and one grandchild.

RETURN FROM TRIP.

Mr. and Mrs. J. C. Bessire met his brother, E. J. Bessire, and family of Cortez, Colorado, at Eldorado recently to join a party on a trip to points in Old Mexico. While there they witnessed a bull fight and other interesting sights. They returned for a more extended trip to the North Palms, where crops were abundant, they reported.

Cross Out Game to Be Featured Through Safeway Stores Ads

"Cross out" is here again! That is the word from Manager C. M. Dodd of Safeway Stores.

"By popular request we are bringing back the fun game of 'Cross Out' for our friends and customers," Dodd said. "Starting September 14, any adult may pick up a card at our store and be ready to enter the game for \$55,000 in prizes. The game will last for eight weeks, with the first key letters for the cards appearing in our ad in The Herald on September 17."

Nearly a million Texans played "Cross Out" when Safeway first introduced the game through its stores last year. There's nothing to buy, no gimmicks to frustrate. The only qualification necessary is that the player be an adult. A playing card may be obtained merely for the asking at any Safeway store.

A card obtained the first week is not out-of-date for the second or subsequent weeks. If the first card does not contain a winning combination from the key letters in the Safeway advertisement for September 17 it may be kept and used again the following weeks—and new cards may be obtained each week. Keep, and play, them all!

Prizes for the winning cards range from RCA Victor color TVs and Schiaparelli mink stoles to Schaeffer pen and pencil set and Riviera clutch purses. They are worth from \$825 to \$435 each.

"It Doesn't Need Service ...It's Running Like New!"

HAVE YOU SAID THIS LATELY?

If you've been saying that lately, we've got news for you.

Authoritative tests, conducted by impartial engineers of the University of Nebraska, proved every tractor loses power during a year's work on the farm. Furthermore, some tractors tested had lost as much as 20 per cent in power. To top it off... in most cases their farmer-owners thought the tractor was running like new.

Such power loss means extra hours to do the same work... not to mention the extra gallons of fuel that are wasted.

Our skilled mechanics can rejuvenate your tractor quickly, efficiently. They'll do only the necessary work to sharpen its performance... bring back that lost power. Our John Deere service is efficient... economical. Let's talk over your service needs the next time you're in town.

Our Cotton Crop Is Looking Fine..

We have a wonderful cotton crop in the Hamlin territory this year—one that will bring needed revenue to the finest bunch of farmers in the world who are really deserving of some breaks following several years of drouth.

But lots of things can happen—some of which the farmers can help, some they cannot (such as hail and other acts of Providence).

One of the disastrous that can be greatly alleviated is devastating damage by cotton insects. Let's be alert to these pests right up until the end of the cotton harvest. Keep fighting the insects—and get the most from the wonderful cotton crop we have!

BCD Committee On Membership Names Contactor

Max Murrell was elected to head the "Contact Club" of the Board of Community Development at a membership and finance committee breakfast last Thursday morning, according to W. T. Johnson, director.

Johnson explained that the contact club will be a select group of individuals who will define and explain the BCD's program of

work to civic and social organizations.

Members will operate as a team of two per group and will be on call to bring programs at any meeting starting October 1.

The contact club is charged with keeping the general public informed as to the aims, objectives of the BCD. They will have window displays, show cards, banners, buttons and badges made up for the purpose of making every citizen conscious of the BCD's program.

Johnson called the second meeting of the membership and finance committee to take a long look at overall programs of the BCD.

Manager Orville D. Roland made a report from each newly activated committee as to the projects they have undertaken.

Attending the meeting were Johnson, Wesley Nail, Max Murrell, Ed Croan, George Malouf and Roland.

VISITS FROM SNYDER.

Mrs. Annie Bailey of the Cogdell General Hospital in Snyder was the guest over the week-end of Mrs. Florence Calvert in Hamlin.

The Chisholm Trail was named for Jesse Chisholm, a Tennessee-born pioneer scout and trader.

Depository for Paying Gas Bills Installed

Installation was completed last week of a depository compartment at the front of the Lone Star Gas Company office on South Central Avenue, according to L. N. Minton, local manager.

The compartment provides a special slot for paying gas bills when the office is closed. Special envelopes are provided by the company for holding bills and payment. The depository opens in safe form on the inside of the office.

The Herald has carbon paper.

Attendance Total for City Sunday Schools Shows Slight Slump

Total attendance at Sunday Schools of the 12 reporting Hamlin churches took another slump Sunday from the previous week. The 1,197 total was 18 less than the previous week and 102 less than the year ago figure.

Attendance, by churches, for September 13, September 6 and a year ago follows:

Churches	Sept. 13	Sept. 6	Year Ago
Oak Gr. Col. Baptist	39	44	82
Faith Methodist	67	71	47

Ch. of Nazarene	66	79	95
Foursquare Gospel	55	67	53
First Methodist	201	194	224
Assembly of God	49	32	33
Sunset Baptist	56	42	52
First Baptist	356	371	378
Mexican Baptist	39	40	40
Calvary Baptist	45	33	42
Church of Christ	143	162	165
No. Cen. Baptist	81	70	86
Totals	1187	1215	1299

Applejack is cider which has been distilled to produce a beverage with higher alcoholic content.

In national mints 1,000 coins can be counted out in a few moments by use of counting tables.

Swastika Pay Moves West in Culbertson

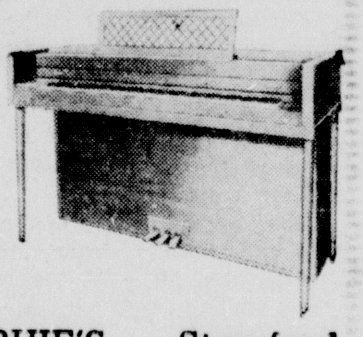

William J. Carey of Dallas and R. R. Bloomer of Abilene finished their No. 1 B. V. Culbertson as a Swastika strike four miles east of Hamlin. It is in Section 66, Southern Pacific Railway Survey.

The well was completed natural for a daily potential of 96.7 barrels of oil. It is pumping from a open hole section at 3,240-3,245 feet.

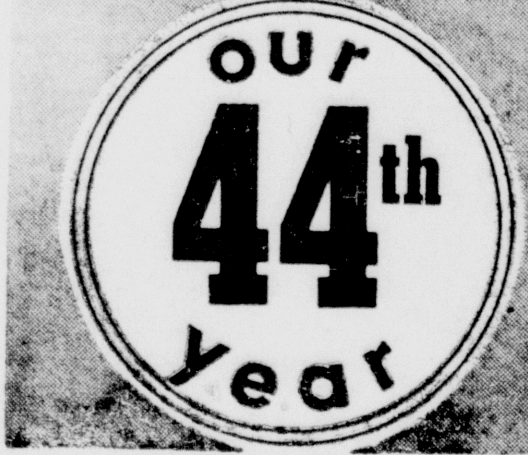

No. 1 Culbertson is one and one-half miles west of the East Hamlin Field, which has Swastika production.

The present site of Washington, D. C., was selected for the national capital in 1789.
